

ADOPT-A-STREET-PROGRAM

Help clean up the City of Prairie du Chien!

We are looking for individuals and organizations willing to pick up trash in their neighborhood, along a route that they walk, or in a designated area. You may request a certain area. We will have a list of who is already signed up for certain streets or areas, as well as a list of available areas.

Clean up is scheduled for spring and fall, in April and again in September. Regular routine clean up is encouraged. Bags, gloves, and safety vests will be provided upon request.

Bags can be disposed of at the City Street Shop during normal business hours. Bags can also be set out with your regular garbage for pick up by Town and Country Sanitation.

Sign up now by calling 326-6406 or 326-8534

The Adopt-A-Street Program is being sponsored by Town and Country Sanitation, Nelson True Value Hardware, Bluffview Intermediate School 4th Grade students and teachers and The City of Prairie du Chien.
