

Public Notice

Water Department Work Order Protocol

Effective June 1, 2007, any work order request received by the City of Prairie du Chien Water Department prior to 12:00 noon shall have every reasonable effort made to be completed by 3:00 pm.

Any work order request received after 12:00 noon will have every reasonable effort to be completed on the next City Business Day.

A work order request includes, but is not limited to: final meter reading, meter or valve maintenance, disconnect and connect.

All work orders are subject to prioritization and/or emergency status.

For further information, please contact the City of Prairie du Chien Water Department at (608) 326-8213.
